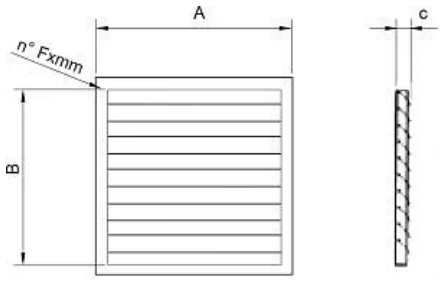
Gravity damper for SEQ axial fans



- Sectors
- Applications Fix
- Issues Odours

COD: SERSEQ000000000

The SEQ axial fan gravity damper prevents heat loss when the fan is stopped, rain, wind and bird entry.

Insight

The damper blades open with the movement of air when the fan is switched on and close again by gravity when it is switched off, preventing heat loss or entry of external bodies.
Constructed entirely of lightweight, durable plastic material.
