MFU filtered air exhaust connection on the outside

Sectors

Applications Mobile

Issues Fumes

COD: KITSCARICESTMFU

Lateral connection diam. 200 mm for hose to discharge filtered air outside from MFU purifiers all.

Insight

With this hose connection, filtered air from MFU purifiers can be expelled into a flexible hose (to be purchased separately) so that it cannot be fed back into the room.

Kit contents:

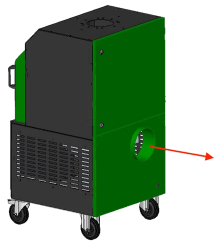

- side panel for hose connection diam. 200

Optional/not included:

- flexible hose made of sturdy PVC reinforced with harmonic steel spiral diam. 200mm
