10kg activated carbon filter kit for MFU and WFU

Sectors

Applications Mobile

Issues Fumes

COD: MFU18WECA100000

10kg (2x5kg) activated carbon filter kit for all WFUs and MFUs 16 -18 - HW

Insight

In cases where welds are made in the presence of additives or on uncleaned metals, it is possible for odors and gaseous pollutants to develop.
In these cases and when required by local regulations, a **filter stage with activated carbon filtration** can be added to eliminate even the most persistent odors.
