COD:

MNCBN00000000SB

Compact, professional workstation for clean and safe food decoration.

Insight

Recommended by ENSOTECH specialists, the **Mini Cabin** is the ideal equipment for pastry, chocolate, and gastronomy laboratories, as well as for professional kitchens that work with compressed air systems such as **airbrushes** and **spray guns**.
It allows for **the precise application of** a wide range of food products: cocoa butter, chocolate, fat-soluble colorants, gelatin, egg yolk, and more, avoiding contamination of the work environment and complying with all health and hygiene regulations.
It is equipped with a three-stage filtration system:

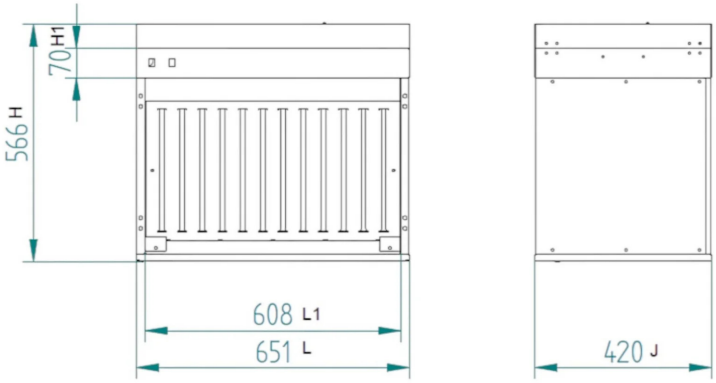

- Removable and washable AISI 304 stainless steel labyrinth filter
- Double set of high-efficiency acrylic filters
- Absolute filter to retain the finest particles

Mini Cabin is made entirely of **AISI 304 stainless steel** with a Scotch-Brite finish to ensure hygiene, ease of cleaning, and durability.
The work surface is spacious and ergonomic, perfect for decorating molds, subjects, cakes, etc.
On request, Mini Cabin can be completed with a stainless steel (AISI 304) stand on wheels, equipped with a removable side table and a 10L oil-free compressor with food-grade filtration.
MINI CABIN DOES NOT REQUIRE CONNECTION TO AN EXTERNAL FILTERED AIR EXHAUST DUCT.
CE certification and user and maintenance manual included.
