

# Anti-sparking front wall for SBA-F-V desks

🔗 Sectors

🔗 Applications **Fix**

🔗 Issues **Fumes**

COD: PFASBAFV0000000

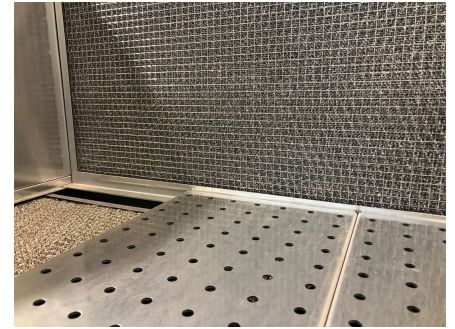

Anti-rebound suction front wall for grinding on SBA, SBF and SBV benches.

## Insight

Adequate thickness of anti-rebound wire mesh panel to stop sparks and any grinding chips from bouncing off the operator.

Easily disassembled for maintenance and cleaning.

Compatible with suction benches SBA , SBF , SBV.
